# PRAYER DIARY

## MONDAY 27- OUR HEALTHCARE WORKERS

---

Praise God for our wonderful NHS staff and other frontline health care workers who are serving the nation during this crisis. Pray that the Lord would keep them safe. Pray also that He would sustain them physically and emotionally as they work in often very difficult conditions. Ask that they would have wisdom as they make decisions under pressure.

## TUESDAY 28- SMALL GROUPS

---

Pray for our small groups as they continue to meet this week (including students tonight and 20s and 30s tomorrow night, along with the mainstream small groups). With groups meeting “virtually”, pray that these meetings would still be places of spiritual encouragement and transformation, through prayer and Bible study. Pray for those involved, that they would not grow weary of meeting in this way.

## WEDNESDAY 29- OUR GOVERNMENT

---

Pray for our government, as they seek to lead our country during this time of crisis. Ask the Lord to give our leaders wisdom as they make difficult decisions about when to ease the current lockdown. As the seek to protect lives, but also to manage the economy, pray that they would receive good advice from experts, so that they can make well informed decisions.

## THURSDAY 30- CHRISTIANITY EXPLORED

---

Praise God that we can still run Christianity Explored during this crisis and for the good numbers taking part. Please pray that those attending would not find doing the course “virtually” a distraction. Ask the Lord to be at work to help those who come to understand who Jesus is and what he has done, and to put their trust in him.

## FRIDAY 1- THOSE WHO ARE STRUGGLING

---

As the coronavirus crisis continues, pray for those amongst the church family who are finding this time particularly difficult. As some contend with poor physical health and others with anxiety and loneliness, pray that they would find great comfort in the Lord who is our true refuge and security. Pray also that we would not grow weary or complacent in our care for others in the church family as the weeks go by.

## SATURDAY 2- OUR MISSION PARTNERS

---

For all our mission partners, pray that they would continue to trust in the Lord’s love and sovereign control during this crisis. Here in Sheffield, most international students have stayed- pray for Caleb Chen and Peter Longbottom as they lead the online events which are still running, and for Stuart and Beth B as she recovers from major surgery.

## SUNDAY 3- SUNDAY SERVICE

---

Please pray for Paul as he leads and preaches during our online Sunday service, asking the Lord to help him be clear and faithful. Pray that we would not be distracted as we participate remotely, and that the Lord would challenge us and change us as we look at John 20 together. Pray too that many who don’t normally go to church would listen in and engage with the service.
