Help until we're home Help in our weakness: Romans 8:26-27

1. In v. 26, Paul talks about our 'weakness'. How can living in a world that groans make us feel weak?
2. Why can it sometimes be hard to know how to pray, as we live in a world that groans? Has this ever been our experience?
3. Why is it such good news to know that the Spirit intercedes for us? What does He pray for us? Why can we be confident His prayers will be answered?
4. What do vv. 26-27 show us about God? How can these insights encourage us, especially when we groan?
5. Why is it ok, if we don't always know how to pray?
