PRAYER DIARY

MONDAY 10

Our mission partners Neil & Lucy return to the UK today after three years at Regent College, Vancouver - they'll be quarantining and then staying temporarily with their son and family in Durham. Pray for all the adjustments and re-connecting, and then for the planned move to Central Asia in early 2021.

TUESDAY 11

As planning work continues to progress well for the Building for the Future project, please pray for the committee as they work hard. Ask the Lord to give them wisdom, energy and perseverance as they seek to finalise plans and as they consider how best to proceed during the present pandemic.

WEDNESDAY 12

Although small groups have come to a close during the summer period, please pray for good conversations to still be taking place within the church family. Pray that we would be able to watch out for one another and build each other up in the faith, as social distancing allows.

THURSDAY 13

Please pray for the church staff team, as many enjoy the chance to have some time off, asking for times of refreshment and rest in the Lord. Please also pray for the staff team as they prepare for the autumn. With so much uncertainty around the ongoing impact of coronavirus, please pray for humble reliance on the Lord, as well as energy and creativity to think through what might be possible.

FRIDAY 14

Please pray for those within the church family who are really struggling at this time, whether through bereavement, or anxiety, or poor health, or financial pressures or any other distress. Pray that, as a church family, we would not grow weary in caring for and comforting those in need.

SATURDAY 15

Pray for our national leaders as they continue to make difficult decisions that will have a huge impact on our country during the pandemic. Ask the Lord to help them govern in such a way that upholds peace and justice, and that shows particular care for the poor and vulnerable. Please pray that we could continue to enjoy freedom to proclaim the Gospel, even with social distancing in place.

SUNDAY 16

This Sunday, Pete Scamman will be preaching on Psalm 45. Pray the Lord would help him to preach faithfully. Pray also for all those who listen, whether online or in person, that we would have hungry and humble hearts, eager to hear God's Word and ready to respond with faith and obedience.
