Summer Psalms The King's Wedding Song - Psalm 45

1. If we had to choose a playlist to capture our mood so far during the pandemic, what kind of music would we pick? Why?
2. Ps. 45:1-9 celebrates a glorious groom. What do we find most attractive about this groom?
3. How does this glorious groom point us forward to the true Groom, the Lord Jesus?
4. In vv. 10-15, the bride must decide to 'leave and cleave' to this glorious groom.
 - At times, we might get cold feet about committing to our Groom, Jesus? What alternatives might we find more attractive?
 - How does this reminder of the glorious groom help us to choose Jesus?
5. How can this wedding song, as it anticipates the great wedding when Jesus returns, help to lift the gloom if God appears absent from our lives?
